RENEWAL OF BEAR PRESSURE WEAKENS PRICES OF COTTON.

Opening steady on Good Cables, but Local Sentiment in Bearish on Warmer Weather.

New York, Oct. 13.—After early firmness the cotton market weakened under the influence of a general pressure of selling with the close of the day, a net decline of 200 points. Sales were estimated at 300,000 bales.

The market was steady at unchanged prices to an advance of 2 points, in response to an arrival of 2 points, but local sentiment was bearish, owing to the higher temperatures. The market reported for the day was steady, with the opening prices off to a net decline of 100 points.

The market was followed by a rally on converging of shorts and buying for turn, but the market reported for the day was steady, with the close of the day, a net decline of 200 points. Sales were estimated at 300,000 bales.

New Orleans, Oct. 13.—Cotton—Spot demand was moderate, with the opening prices off to a net decline of 200 points.

The market was steady at unchanged prices to an advance of 2 points, in response to an arrival of 2 points, but local sentiment was bearish, owing to the higher temperatures. The market reported for the day was steady, with the close of the day, a net decline of 200 points.

The market was followed by a rally on converging of shorts and buying for turn, but the market reported for the day was steady, with the close of the day, a net decline of 200 points. Sales were estimated at 300,000 bales.
